Technical drawing showing two views of a rectangular box:

- Top View:** A rectangle with overall width 600 and height 490. It features a central oval-shaped cutout with a width of 520 and a height of 315. There are four holes: one at the top center with diameter $\varnothing 35$, one at the bottom center with diameter $\varnothing 45$, and two side holes with diameter $\varnothing 35$. The distance from the top edge to the top hole is 210, and from the bottom edge to the bottom hole is 65.
- Front View:** Shows the box's profile with a total height of X. The base has a width of 560. The top flange has a width of 150. Two downward arrows indicate the position of the top holes.
